

REVISED 2018-2019 Preliminary Band Performance Calendar

Please do not plan events in conflict with these performance, rehearsal, or training/audition dates, as the success of the group greatly depends upon 100% attendance by all academically eligible band members. All performances are recorded as test grades for each student, and absences can result in loss of future performance privilege. A full preliminary calendar containing all rehearsals, auditions, performances, and other events will be completed over the summer and made available prior to the start of the 2018-2019 school year.
