Laura Miller, President
Jennifer Brandt, VP (Budgets/Finance)
Linda Svoboda, 2nd VP (volunteers/Committees)
Amber Calnan, Secretary
Jennifer Cass, Treasurer
Jennifer Sanders, Parliamentarian

Hello and thank you for your interest in sponsoring the Lake Ridge High School Eagles Band!

The band is composed of 250 hard-working, dedicated, and talented students. As part of their dedication and passion for the organization, their season begins at the end of the district school year. While many students begin their summer vacations, our students instead begin voluntary summer band sectionals and camps in June and continue through July and August.

In mid-July, you'll find the Eagles Band students on their practice field, at full marching band practices, Monday through Friday, several weeks before school even starts! Their days start at 7 a.m. and end around 4:30 p.m. during which they learn a multitude of essential musical and physical/marching fundamental techniques and exercises critical for their success during marching season and throughout the entire school year. These include football game stand music, drill team performance music, and the UIL marching competition show and music. Once the school year starts, our students commit to daily after school rehearsals beginning at 3:45 p.m. and ending at 6:45 p.m., all of this while also being dedicated to maintaining their academic grades.

With all this hard work and dedication, the students have successfully managed to elevate the distinction and reputation of the Lake Ridge Eagles Band as one of the elite band programs in the area and the state in just six years, since its establishment in 2012.

The following are some of the many awards and recognitions the Eagles Band has received:

- *Wylie Marching Invitational Grand Champions title for three consecutive years since 2015
- *Five consecutive years of superior ratings at the region and area levels for the University Interscholastic League (UIL) competitions as well as placing in the Top 10 finalists at the Area UIL competitions
- *State competition qualifying band and Top 10 Finalist for the 2012 UIL State Competition
- *In 2017, the Lake Ridge High School Wind Symphony earned the designation as a National Winner in the National Wind Band Honors Mark of Excellence competition. In addition, the ensemble was also recognized as a winner in the New Music category.

As a sponsor, you contribute to the development and success of our organization in areas such as show visual design, music composition, performance equipment and props, master classes, professional clinicians, etc.

There are not enough words for us to describe how proud we are of our students. So I invite you to visit our website at lakeridgeband.com to learn more about our organization and see some of the young faces that you are helping become successful, confident, and productive individuals. If you have any questions, please feel free to contact me at the following:
