

2019-2020 Preliminary Band Performance Calendar

Revised 6/13/19

Please do not plan events in conflict with these performance, rehearsal, or training/audition dates, as the success of the group greatly depends upon 100% attendance by all academically eligible band members. All performances are recorded as test grades for each student, and absences can result in loss of future performance privilege. A full preliminary calendar containing all rehearsals, auditions, performances, and other events will be completed over the summer and made available prior to the start of the 2019-2020 school year. Any events added or revised from the original calendar are highlighted.
