✓ Volunteer Update Overlapping and signing up for more than one volunteer position caused some issues at the Union game. Please try to not overcommit. Christi needs bus chaperons the most. Another area of need is the Music Alley festival. We need about 10 more volunteers. If breaking it down to shifts is a necessity we can do that but are trying to avoid it. TABC permit is necessary. In regards to volunteer points we offered them for new coolers. We received 15 new coolers. We are putting a hold on snacks and water donations due to limited storage. So we are set for a while.	Christi McInnis	
✓ F3 Scanning Update We have been scanning student id's rather than looking it up on a list. It was a success and this week we will try having two lines.	Jennifer Brandt	
✓ New Business as stated before, we need volunteers for the Music Festival. Snacks and water are on hold.		
✓ Old Business We are tabling the magnetic signs because the price quote is not the same price originally stated. One of our orange coolers was broken so we had to throw it away. However, we had one in storage to replace it.		
✓ Chair Position Updates Competition meals for volunteers. Can we purchase them etc? Nancy C. will send out an email. The cost is \$8 a meal. Props, Brian Van Brocklin and Chad Cass are going to pick up lumber that was donated for the props. They are going to organize some build days.	As needed
