Lake Ridge HS Band FAQ:

1. How are band classes structured at the high school?

-The three concert band ensembles are all ability-based. Ensemble placement is earned based on concert band placement audition results and previous band program experiences.

2. When are concert band placement auditions, and what will I need to do for the audition?

-Brass and woodwind concert band placement auditions are completed on Canvas. The deadline for all Canvas audition submissions is 11:59pm on Sunday, May 5th. The audition will consist of major scales, chromatic scale, and a prepared piece of your selection. Specific details regarding the brass and woodwind concert band placement auditions will be distributed in March.

3. Do all band members participate in the marching band?

-Yes, all band members participate in the marching band.

4. How will I participate in the marching band?

-Typically, freshman brass and woodwind students participate in the marching band by marching with the same instrument as they currently play within concert band or it's school-owned marching band equivalent.

5. How do you learn the marching show music and movement, and will I be able to do it?

-Typically, we learn each element separately, at reduced tempos, and with plenty of repetitions, before combining the marching and musical elements. Doing so, will give you plenty of opportunity for success. It is very, very rare that we have a student fail to be successful.

6. When will I receive my school-owned marching instrument?

-Typically, most marching instruments are distributed at our Incoming Freshman/New Marcher Camp for brass and woodwinds. The following school-owned marching instruments will be available to be issued to both new and returning members during the Full Marching Band Mini-Camp Rehearsals held the week of May 27th: Marching Piccolo, Marching Bass Clarinet, Marching Tenor Saxophone, Marching Baritone Saxophone, Marching French Horn, Marching Baritone, and Sousaphone. Please note that these are the only types of marching instruments that are available for issue to students from Lake Ridge High School.

7. When will I receive my school-owned concert instrument?

-The only time of year that our concert instruments are not in use, and we can send them to the repair shops for their yearly maintenance and cleaning is during the months of June and July. Once they return from the repair shops, the following school-owned concert instruments will be available to be issued to both new and returning members: Piccolo, Oboe, Bassoon, Concert Bass Clarinet, Concert Tenor Saxophone, Concert Baritone Saxophone, French Horn, Euphonium, and Tuba. If you are in need of a concert instrument for summer private lessons or for a summer music camp, please contact Mr. Bonebrake via email at bradleybonebrake@misdmail.org. Once the instruments return from the repair shops, an instrument pick-up schedule will be communicated to everyone via email and Remind message.

8. I play a double reed instrument. What are my marching band options?

- a. Audition and become a member of the fall marching band colorguard
- b. March with a secondary woodwind instrument (flute, clarinet, bass clarinet, alto saxophone, or tenor saxophone)
*Specifics with this option will be defined by the band directors on a case-by-case basis.
*Specific secondary woodwind instrument assignments are made by the band directors.
*Those marching flute or clarinet as a secondary instrument will need to provide their own instrument via rental or purchase.
- c. Audition and become a member of the fall marching band front ensemble percussion (pit percussion)
*Pre-approved permission from Mr. Pouttu is required for this option

9. When do marching band rehearsals start?

-See the Spring and Summer Band Calendar for a complete listing of upcoming rehearsals. July start dates vary depending upon your specific role within the marching band. All members need to plan to attend the Marching Band Mini-Camp rehearsals the week of May 27th.

10. Does the marching band rehearse before school begins next year?

-Yes. We are expected to have a marching performance ready for the first varsity football game, so it is imperative that rehearsals begin slightly earlier than the first day of the school year. See the Spring and Summer Band Calendar for a complete listing of upcoming rehearsals.

11. Once school begins, when does the marching band rehearse?

-The Marching Band meets as a full group after school and is limited to eight hours of regular rehearsal each week outside of the regular school day. When rehearsing on campus, the marching band usually rehearses from 3:45pm to 6:15pm. When rehearsing at one of the

MISD football stadiums, the marching band usually rehearses from 5:30pm-8:00pm. The weekly Marching Band rehearsal schedule is usually set as Monday, Tuesday, and Thursday, leaving Wednesdays free for extended tutorials, appointments, club activities, church obligations, and any other family related events. **The exception to this will be on weeks when Monday is a school holiday, unforeseen weather-related issues interrupt the planned rehearsal schedule, there is a Thursday night Varsity football game, or if MISD Fine Arts schedules us to rehearse at one of the MISD football stadiums on a Wednesday.** If, by MISD heat policy, the afternoon temperature warrants the need to move the starting time of rehearsal to a later time, an adjusted rehearsal schedule will be created and clearly communicated in a timely manner to all students and families.

12. How will I maintain my academics during marching band?

-Each student's academic success is a priority. We have found that our grades are the highest when we are the busiest, the first 9 weeks of the school year. Since participation within the marching band is contingent upon good grades, we have found that our students are motivated to maintain academic eligibility not only for themselves but for all of their friends within the marching band as well. Over the past three marching seasons, our academic eligibility percentage has been at or above 99%. Study/homework completion time will be afforded to our students during band classes each week, usually starting at the beginning of the 4th week of school. Students are encouraged to attend tutorials and form student study groups with upperclassmen within each section.

13. What kind of performances will I get to attend with the marching band?

-Both home and away varsity football games, multiple marching band contests, an occasional parade, pep rallies, and a few other special event performances

14. Is a pre-performance physical exam required for marching band?

-Yes. The UIL requires that all students receive a pre-performance physical exam and complete a medical history form prior to involvement within the marching band activity. Therefore, all colorguard and percussion students must return completed physical exam and medical history forms by Monday, July 22nd. All others must return completed physical exam and medical history forms by Monday, July 29th. Unless changes in health occur, pre-performance physicals are valid for two years from the date of the exam. Therefore, most students only need to undergo a physical exam every two years. The medical history form, however, is to be completed every year. Until the completed physical exam and medical history forms are completed and returned, students will not be permitted to participate.

15. Can I participate in fall athletics and marching band?

-Yes. It is not atypical for us to share students with fall school sports such as 9th grade football, JV football, volleyball, basketball, cross country, swimming, diving, and tennis. The key to doing so successfully is communication, early and often, between all parties, so that a customized rehearsal and practice schedule can be created.

16. Can I participate in fall select sports and marching band?

-Yes. It is not atypical for us to share students with fall select sports. The key to doing so successfully is communication, early and often, between all parties.

17. Can I take Ben Barber classes and marching band?

-Yes. It is not atypical for our students to take either an AM or PM Ben Barber Session class.

18. Can I take Advanced, AP, and TCC classes and marching band?

-Yes. The majority of our students are involved in upper-level, advanced academic courses.

19. Are there college scholarships available for those with high school band experience?

-Yes. No matter what your major, it is common for colleges to have money set aside for scholarships aimed at attracting students with high school band experience.

20. What course number do I need to use to sign-up for band?

Brass, Woodwind, & Percussion players:

Fall Semester:

- Select the following option as your band class – 3261FA (A Day) & 3261FB (B Day)

Spring Semester:

- Select the following option as your band class – 3266SA (A Day) & 3266SB (B Day)

Current non-band students who will be members of the fall marching band colorguard and spring winterguard:

Fall Semester:

- Select the following option as your band class – 3290FA (A Day) & 3290FB (B Day)

Spring Semester:

- Select the following option as your band class – 3290SA (A Day) & 3290SB (B Day)

Lake Ridge High School Band

“Using Music and Excellence to Teach Success in Life”

Lake Ridge High School Band families,

We are very excited to have you in the Lake Ridge High School Band Program. The Lake Ridge Band is one of the premier organizations at Lake Ridge High School. In just twelve years, students such as you have helped build the reputation of this band as one of the elite band programs in the area. In addition to a great music education, students in band learn the following: time management, communication, creative and critical thinking, problem solving, responsibility, respect, leadership, teamwork, and pride. As one of the largest organizations on campus, the band is a great social and academic support group. Consequently, if there is anything a student needs, a fellow band member will always be close by to help at any point throughout the day. The information in this letter should help answer many questions. However, if there is the slightest question on any issue, please feel free to contact any of the high school band directors via email or telephone. We are looking forward to the addition of another great freshman class to our already talented and hard working upperclassmen.

What activities are involved in the Lake Ridge Band program?

The following fall under the umbrella of the Lake Ridge Band: Marching Band, Wind Symphony, Wind Ensemble, Symphonic Band, Colorguard, Winterguard, Front Ensemble/Pit, Battery/Drumline, and Jazz Band.

When can I check out a school-owned marching instrument, and when do I pay the instrument usage fee?

The following school-owned marching instruments will be available to be issued to both new and returning members during the Marching Band Mini-Camp rehearsals scheduled for the week of May 27th: Marching Piccolo, Marching Bass Clarinet, Marching Tenor Saxophone, Marching Baritone Saxophone, Marching French Horn, Marching Baritone, and Sousaphone. Please note that these are the only types of marching instruments that are available for issue to students from Lake Ridge High School.

Instrument usage fees for school-owned instruments will be collected at our band student registration day on Saturday, August 3rd. See attached preliminary marching camp schedule. This fee only applies to those students using a school-owned instrument. Only one instrument usage fee will be charged regardless of how many school-owned instruments are actually used by the student.

When can I check out a school-owned concert instrument, and when do I pay the instrument usage fee?

The only time of year that our concert instruments are not in use, and we can send them to the repair shops for their yearly maintenance and cleaning is during the months of June and July. Once they return from the repair shops, the following school-owned concert instruments will be available to be issued to both new and returning members: Piccolo, Oboe, Bassoon, Concert Bass Clarinet, Concert Tenor Saxophone, Concert Baritone Saxophone, French Horn, Euphonium, and Tuba. If you are in need of a concert instrument for summer private lessons or for a summer music camp, please contact Mr. Bonebrake via email at bradleybonebrake@misdmil.org. Once the instruments return from the repair shops, an instrument pick-up schedule will be communicated to everyone via email and Remind message.

Instrument usage fees for school-owned instruments will be collected at our band student registration day on Saturday, August 3rd. See attached preliminary marching camp schedule. This fee only applies to those students using a school-owned instrument. Only one instrument usage fee will be charged regardless of how many school-owned instruments are actually used by the student.

Are all students who sign up for band involved in Marching Band?

Yes. One of the first activities with which you will be involved is the marching band. The Eagle Marching Band consists of **all** students enrolled in the band program regardless of the concert band class in which they are placed. Marching band camp is a very important time for all students who will be a member of the band at Lake Ridge (see included calendar). At this camp, we will teach the students a multitude of essential musical and physical/marching fundamental techniques and exercises critical for their success during marching season and throughout the entire school year. We will also teach the students the vast majority of the football game stands music, drill team performance music, and UIL competition show music. **Those not in regular attendance during the mandatory marching band camp will be at a significant disadvantage to those students who are in regular attendance and may not be able to initially earn a marching position of their own within the UIL marching competition show.**

Are pre-performance physical exams and medical history forms required of all students within the marching band?

Yes. The UIL requires that all students receive a pre-performance physical exam and complete a medical history form prior to involvement within the marching band activity. Therefore, all colorguard and percussion students must return completed physical exam and medical history forms by Monday, July 22nd. All others must return completed physical exam and medical history forms by Monday, July 29th. Unless changes in health occur, pre-performance physicals are valid for two years from the date of the exam. Therefore, most students only need to undergo a physical exam every two years. The medical history form, however, is to be completed every year. Until the completed physical exam and medical history forms are completed and returned, students will not be permitted to participate.

How are students evaluated during marching band camp?

Between July 29th and August 2nd, each student will be evaluated in both outside marching rehearsals and inside music rehearsals on pre-assigned material. The evaluation material will include specific marching technique exercises introduced at both the Colorguard Training and Incoming Freshman Brass and Woodwind Marching Camps held in April 2024 and Full Marching Band Mini-Camp rehearsals held at the end of May 2024 (see included calendar). The evaluation material may also include memorized performance of the LRHS Alma Mater, LRHS Fight Song, and the first segment of our 2024 UIL competition show music which will be distributed to the students upon its arrival. The students will be evaluated on attendance, punctuality, daily preparedness, daily improvement, technique, musicality, and attitude.

What will the evaluations determine?

All students will receive the same instruction and training while being evaluated. The outcome of the evaluation will culminate in the following results and student roles:

1. Placement within the Varsity Marching Band with their own UIL competition drill coordinate position
2. Placement within the Varsity Marching Band sharing a UIL competition drill coordinate position with another student of like-skill level
3. Placement within the Non-Varsity Marching Band without a UIL competition drill coordinate position

How will each student perform within the Marching Band at football games and marching competitions?

Students who earn a position within the Varsity Marching Band with their own UIL competition drill coordinate position will:

1. perform in the stands throughout the game at all Varsity football games
2. perform for the drill team performance at halftime of all Varsity football games
3. perform the UIL competition show at halftime of all Varsity football games
4. perform the UIL competition show at marching competitions in September, October, and November
5. perform the spirit show at halftime of all Varsity football playoff games

Students who earn a position within the Varsity Marching Band sharing a UIL competition drill coordinate position with another student of like-skill level will:

1. perform in the stands throughout the game at all Varsity football games
2. perform for the drill team performance at halftime of all Varsity football games
3. challenge weekly to perform the UIL competition show at halftime of all Varsity football games
4. challenge weekly to perform the UIL competition show at marching competitions in September, October, and November
5. perform the spirit show at halftime of all Varsity football playoff games

Students who earn a position within the Non-Varsity Marching Band without a UIL competition drill coordinate position will:

1. perform in the stands throughout the game at all Varsity football games
2. perform for the drill team performance at halftime of all Varsity football games
3. perform the spirit show at halftime of all Varsity football playoff games

How do weekly marching challenge evaluations work?

Those students who earn a position within the Varsity Marching Band sharing a UIL competition drill coordinate with another student of like-skill level will learn the same marching coordinate position throughout each rehearsal and will be evaluated each week. Typically, this evaluation takes place during the final rehearsal of the week prior to a performance. Students who are sharing the same UIL competition drill coordinate position will challenge each other throughout the duration of the rehearsal by swapping in and out on each repetition of the same marching sequence with one student marching the coordinate each time. This gives each student equal opportunity to perform during rehearsal and the directors an opportunity to equally evaluate each student on the same material. Results of marching challenges are typically posted an hour or so prior to the subsequent performance uniform inspection.

Does my child have to be academically eligible to perform with the Marching Band?

Yes. Academic eligibility is required of all students in order to participate and/or perform with the marching band at events such as, but not limited to, football games, marching contests, parades, and pep rallies. Academic eligibility does not apply to rehearsals.

Once school begins, when does the Varsity Marching Band rehearse the UIL competition show?

The Marching Band meets as a full group after school and is limited to eight hours of regular rehearsal each week outside of the regular school day. When rehearsing on campus, the marching band usually rehearses from 3:45pm to 6:15pm. When rehearsing at one of the MISD football stadiums, the marching band usually rehearses from 5:30pm-8:00pm. The weekly Marching Band rehearsal schedule is usually set as Monday, Tuesday, and Thursday, leaving Wednesdays free for extended tutorials, appointments, club activities, church obligations, and any other family related events. **The exception to this will be on weeks when Monday is a school holiday, unforeseen weather-related issues interrupt the planned rehearsal schedule, there is a Thursday night Varsity football game, or if MISD Fine Arts schedules us to rehearse at one of the MISD football stadiums on a Wednesday.** If, by MISD heat policy, the afternoon temperature warrants the need to move the starting time of rehearsal to a later time, an adjusted rehearsal schedule will be created and clearly communicated in a timely manner to all students and families.

When does the Non-Varsity Marching Band rehearse?

Those students earning a position within the Non-Varsity Marching Band without a UIL competition drill coordinate position will rehearse with the members of the Varsity Marching Band on Thursday afternoons only from 3:45pm to approximately 5:00pm. The exception to this will be on weeks when there is a Thursday night Varsity football game. In that case the members of the Non-Varsity Marching Band will rehearse with the members of the Varsity Marching Band on Wednesday afternoon from 3:45pm to approximately 5:00pm.

What are the required performances and events for the Varsity Marching Band?

Members of the Varsity Marching Band are required to participate with the band at all regular season and playoff Varsity football games, marching contests, parades, and pep rallies; academic eligibility status not with standing.

What are the required performances and events for the Non-Varsity Marching Band?

Members of the Non-Varsity Marching Band are required to participate with the band at all regular season and playoff Varsity football games, parades, and pep rallies; academic eligibility status not with standing.

What are the financial obligations for band?

Included with this letter is a preliminary list of fees and supplies that each student will need for band. This list will explain each student's financial obligation, and also what the school district and band boosters contribute. Fees are due and will be collected at our band student registration day on Saturday, August 3rd. Our stance on music education has always been, and will continue to be, that we do not want any student to be unable to participate due to financial issues. We will work with any student and parent in a discrete manner to help in any way possible. However, band fee payment is expected on registration/uniform fitting day.

What are the Lake Ridge Eagle Band Boosters?

The Band Booster organization is a vital element of the band program at Lake Ridge High School invested and committed to all students in the Lake Ridge Band. The Band Boosters conduct fundraising activities and provide numerous support services for the band. The success of our band is highly dependent on dedicated and active band booster parents. All parents are invited and encouraged to be a part of the booster program. Please be involved with your child by becoming an active member of the band boosters.

Is there a meeting coming up?

Yes. There is an important meeting for all incoming freshman band parents on **Wednesday, May 8th** at 7:00pm in the Lake Ridge Band Hall. Important information regarding everything you need to know to get started in the Lake Ridge Band will be discussed at this meeting.

Other questions?

Please do not hesitate to contact me via email with questions. "See" you all on **May 8th** at 7:00pm!

Sincerely,

Brad Bonebrake
Director of Bands
Lake Ridge High School Band

It is understood that even though protective equipment is worn by athletes, whenever needed, the possibility of an accident still remains. Neither the University Interscholastic League nor the school assumes any responsibility in case an accident occurs.

If, in the judgment of any representative of the school, the above student should need immediate care and treatment as a result of any injury or sickness, I do hereby request, authorize, and consent to such care and treatment as may be given said student by any physician, athletic trainer, nurse or school representative. I do hereby agree to indemnify and save harmless the school and any school or hospital representative from any claim by any person on account of such care and treatment of said student.

If, between this date and the beginning of participation, any illness or injury should occur that may limit this student's participation, I agree to notify the school authorities of such illness or injury.

I hereby state that, to the best of my knowledge, my answers to the above questions are complete and correct. Failure to provide truthful responses could subject the student in question to penalties determined by the UIL

“BAND” COMMUNICATION APP (<https://band.us>)

Dear parents and guardians:

To streamline communication and reduce emails and texts, we'll be using a mobile application called BAND. BAND gives us a safe and easy way to share everything related to our group in one place.

TWO Different BAND Groups

- **One For Students** (Posts and Reminders from Band Directors)
- **One For Boosters** (a.k.a. parents & guardians) (Posts and Reminders from Directors and Band Booster Officers; Other Boosters can initiate a post but it must be approved by Admin – to avoid excessive posts/responses)

BAND Overview

BAND is a free, leading group communication app designed for teams to stay organized and get updates from one centralized place.

- **Features:** *Post and comment, calendars, polls, etc.* In our Band, you can check everything related to our group. (announcements, reminders, events, changes, payments, etc.) **Please keep your app notifications ON and check updates/changes.**

Safety & Security

- Our Band is private, which means we can share group matters safely.
- You can connect with other members without sharing your phone number.
- BAND is a safe and secure platform. BAND collects minimum info (ex. name, date of birth, a phone number or email address, encrypted password, and device information) to provide the service. BAND never sells your personal data.
- **Please make sure your child enters their legal age in their profile** to take advantage of BAND's teen-specific safety features:
 - **Search:** Teen users aren't able to search other Public groups.
 - **Supervision:** You can connect your BAND account with your child's and become the Supervisor user. This way, you know which groups your child is part of. For more info, see this [guide](https://band.us/band/62412132/post/211) (<https://band.us/band/62412132/post/211>).
 - **Ad filters:** You as a parent may see occasional ads on the app, but users under 18 don't see them.
- For the “**LRHS Band Students**” Group – Chat and Comments are Disabled, Posts can only be made or approved by Administrators (Band Directors and Authorized Band Booster Officers), Members must enter their instrument & graduation year, and must be approved by Admin to join, Member contact info is hidden, Several other settings for youth protection. A new Group is created each year, only for currently enrolled students.
- For the “**LRHS Band Boosters**” Group – Chat and Comments are Disabled, Posts can only be made or approved by Administrators (Band Directors and Authorized Band Booster Officers), Members must enter their child's name, instrument, and graduation year, and must be approved by Admin to join, Member contact info is hidden, Several other settings for privacy. A new Group is created each year, only for boosters of currently enrolled students.
